### Let's Go Visiting

Students visit and explore fascinating places in a child's world during the weekly mini-units Let's Visit the Garden, Let's Visit the Zoo, Let's Visit the Farm, and Let's Visit the Aquarium. Building on students' prior knowledge, engaging, theme-related activities foster early learning concepts and skills, such as letter and sound recognition, phonemic awareness, sorting, and counting. Games, manipulatives, literature response, and writing activities inspire active learning while integrated science and social studies concepts support meaningful learning connections and nurture students' natural curiosity.

### Kamp Kindergarten

In the afternoon portion of the Kindergarten day, students unpack their sleeping bags for a quiet time as they listen to nature sounds and engage in physical movement activities focused around the theme of camping. Students develop cooperation skills as they investigate manipulatives and games during Backpack Explorations. From creating s'mores to sharing campfire stories, young campers enjoy their stay at Kamp Kindergarten.
