Parents: Since there is a tax free purchase weekend before school starts, we wanted to put an approximate list of supplies you will need for each class. Please keep receipts for your purchases just in case you purchase something on the list, and the teacher determines it is no longer needed. Also, there may be needed supplies that do not appear on the list and may be required later. Please be patient—a supply list is a work in progress.

All students need their own set of earbuds with a 3/8” plug
