## INANCIAL OPERATION

## Regulation 3440

## Travel Expense Allowanc

## Reimbursement Policies

Upon approval of the Superintendent, employee may be authorized to attend conferences, meetings, conventions, etc. When full expenses are allowed, they shall be deemed to include registration, transportation fees, lodging and meals. Each employee allowed travel expense shall file with the Superintendent/designee an itemized account of expenses; he/she may request an advance or estimated expenses subject to adjustment upon filing of the itemized account. Each employee shall submit to the Superintendent/designee such other reports as required The Superintendent may authorize attendance at professional meetings by staff members, Board members, and others working on School District matters, and may approve reasonable expenditures that include an amount set annually by the Board for lodging, travel expenses and applicable registration fees
The Superintendent shall notify the Board of the date and purpose of the event for which such approval is granted, name(s) of person(s) attending and cost to the District. Reimbursement Policies

1 Mileage reimbursement is not authorized between home and office/base school.
2 Employees who travel directly from home to other than office/base school on official business are entitled to a mileage allowance of the distance in excess of that from home to office/base school. The same policy is applicable o return trips. In this case a reimbursement request must show that all mileage excludes round trip mileage from home to office/base school.

3 Employees who travel from school to school on official duty are authorized mileage from the first to the last school visited subject to the restrictfions outlined in the paragraph above

4 When transportation is performed by a privately owned vehicle,
mileage is authorized at an annually determined rate, subject to provisions of the paragraph below. The mileage will be paid at the existing mileage rate.

5 When private transportation can be pooled, the driver of the vehicle is authorized reimbursement at the annually determined rate. When transportation pooling is not desired by the individuals concerned, each traveler will be limited to an equal share of the annually determined rate per mile

6 In performing necessary local travel, personnel will use the most direct well-traveled route between any two points. Claims for mileage reimbursement will be for actual miles driven based on odometer readings.

7 The district will reimburse itemized meal expenses which do not exceed $\$ 59.00$ per day. When itemized receipt is greater than the amounts stated, the District will only reimburse for the stated maximum amount
$\mathbf{8}$ When reporting to different buildings on district professional developmen days, opening day or any days when your full workday is spent at another building, but within the district, this building will be considered your work base for the day and travel will not be reimbursed.
